

Items to Bring Checklist

____ Correct size vehicle see pg. 1 in CDL Manual

____ Check vehicle with appendix C in CDL Manual, make sure all items work properly

____ Vehicle can not have any load on it

____ Documents- **you must have these with you and they may not be out of date**

1. Registration of truck
2. Registration of trailer (If CDL A)
3. Insurance
4. TIP
5. Current drivers license

____ Copy of appendix C, Vehicle Inspection Memory Aid

____ Print, read, and bring with you the Fee and Refund sheet

*If you are not using our rental truck, whoever comes with you in the truck can not be with you during the test and we do not have a waiting room on site.

*Please remember that this is a test. You are responsible to know the material and requirements for your test. All material can be found in the CDL manual Sections 11, 12, and 13. Documents and vehicle requirements can be found in the first page of Section 11. If you do not meet all of the document or vehicle requirement it is an automatic failure.
